

The WA Chapter of the *International Coach Federation Australasia* presents

COACH-ATHON

14 - 19 May 2007 – an International Coach Week Event

“Win-win” is so five minutes ago!
We are pleased to offer the Perth community a Coach-athon.
A **“Triple Win”** event!

Win #1 – YOUR opportunity to be coached!

You’ve heard about it, you’ve thought about it, now is your chance to do it!

As professional coaches we are dedicated to helping you achieve your greatest potential. We are inspired by the knowledge that when we help one person, we take part in positive impact that can go beyond the limits of our imagination.

Win #2 – OUR opportunity to Give!

The coaches taking part in this marathon event are giving their time for free. Why? We believe we have a credible contribution to make. This is our way of expressing our values – of “putting our money where our mouth is”. Over a six day period our coaches will offer a total of 500 coaching sessions to the Perth community.

Win #3 – Support for a worthy CAUSE!

In taking part, you will be asked to donate \$25, \$50 or \$75 (tax deductible) – a fraction of a standard coaching fee to our charity partner – *THE NATIONAL HEART FOUNDATION*. Rest assured that 100% of all funds raised will be passed on to support this work.

“The Mission of the National Heart Foundation is to reduce the suffering and death from heart, stroke and blood vessel disease in Australia.”
